AICTE: Rural development schemes

UBA: Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. Their mission is conceptualized as a movement to enable processes that connect institutes of higher education with local communities to address the development challenges of rural India through participatory processes and appropriate technologies for accelerating sustainable growth. It also aims to create a virtuous cycle between the society and an inclusive university system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors.

Village adopted under UBA Scheme:

1. Pulivalam
2. Permangalam
3. Moovanur
4. Thiruvellarai
5. Poonampalayam

NPTEL : (National Programme for Technology Enhanced Learning) is a joint initiative from IITs and IISc to offer online courses and certification course conducted in various topics from 2017-2018 academic years to till date.

In our college campus research and Training placement cell is established in order to facilitate the students to acquire additional skills as well as to enhance their knowledge in specified areas. As of now the cell has initiated some learning opportunities to the students apart from regular academics.

The first and foremost thing towards this is establishment of NPTEL local chapter in our campus. Students are able to access all NPTEL study materials both web and video free of cost from our institute. Total size of all the materials is around 4TB. The materials include almost all courses in any undergraduate engineering stream as well as some humanities courses.
